No, online gambling, including casino games and sports betting, is not yet legal in Florida. The Sunshine State still needs to pass legislation specifically permitting or regulating online gambling activities. Due to this fact, there are no state-regulated real money online casino platforms based in Florida.

#### De discussed topic to public statement: Leila Pereira and Abel Ferreira

No cartoes sportingbet News Esporte, Posse de Bola, and Joga Junto, columnists discussed and debated whether Leila Pereira, president of Palmeiras, should have publicly commented on the sexist comment made by her team's coach Abel Ferreira.

User input: "I would love for Leila Pereira to publicly address her coach's mistake, but I don't think she should be the focus. This is another aspect of machismo: a man commits an unfortunate, crude act, and the attention turns to another woman, expecting her to do something about it. Although I think it's important for her to take a stance, I don't believe she should be held accountable for it."

#### The Press Conference

On January 16, 2024, Palmeiras' communication department released a statement: "On this historic day, Leila Pereira holds a press conference with only women and announces the renewal of Abel's contract." The intention behind an all-female press conference remains unclear, and the president's silence on the matter is questionable.

Leila Pereira's Quote

"It's a pleasure to be here with all of you on this day for women. I don't know of any similar case in the world, a press conference formed solely by women."

As the president of Palmeiras, Leila Pereira should have taken the opportunity to address the issue. Her silence is not in line with her initiative in organizing an all-female press conference.

#### Opinions on the Issue

- Tales Faria: Lamentable situation and questioning Abel's understanding of the gravity of his remarks.
- Tabata: No comment provided.
- Juca Kfouri: Addressing the desperate situation of Corinthians in the Brasileiro.
- Alicia Klein: Condemning the perversity of blaming Leila for Abel's mistake.
- Carlos Affonso: Criticizing the punishment of Marçal and the responsibility of the president.

## The Responsibility of Men

The author argues that the responsibility for addressing machismo should lie with men, not the women affected by it. Men must understand and stop committing such errors.
