The 2024/23 men's Premier League football season was quite the occasion for champions Manchester City – who also sealed a 9 challenging treble of trophies in addition to their third league win in a row.

Pep Guardiola's side dominated almost all competitions, 9 not only taking home the Premier League trophy but also winning the FA Cup and the UEFA Champions League. They're 9 one of only two clubs to achieve this – the other, of course, was their city rivals Manchester United in 9 the 1998/99 season.

As the crucial Christmas fixtures start, it's getting quite competitive at the top of the table.

Arsenal are currently 9 sitting in first place, with a one-point lead over Liverpool and Aston Villa in second and third. City are now 9 fourth after a run of draws and a loss to Villa – and their star player Erling Haaland has been 9 dealing with an injured foot, according to Guardiola.

The Premier 9 League also welcomes back Burnley and Sheffield United, along with Luton Town, who debut in the competition having last played 9 top-flight football in 1992 (when it was still the First Division). None have started the season well, with all three 9 sides sitting in the relegation zone as of December 22.

Everton have joined them towards the bottom end of the table 9 after receiving a 10-point deduction following a breach of "the Premier League's Profitability and Sustainability Rules". It's appealing the decision.

An 9 said it was "shocked and disappointed" by the Premier League Commission ruling, and added that it "does not recognise the 9 finding that it failed to act with the utmost good faith and it does not understand this to have been 9 an allegation made by the Premier League during the course of proceedings".

The appeal is expected to be heard later in 9 the season. As play continues, here's the latest on which

Premier League matches will be airing in the coming weeks, 9 and where.

Premier

League 2024/24 on TV – how to watch live

In the UK, Sky Sports, TNT Sports (formerly BT

Sport) and 9 Prime Video will continue to share live Premier League TV rights until the end of the 2024/25 season (with free, 9 late-night TV highlights broadcast on the BBC).

From the 2025/26 season until 2028/29, Sky Sports and TNT Sports will share live 9 rights in the UK, with a 70% increase in the number of live fixtures broadcast by the former. The new 9 deal is worth £6.7 billion to the Premier League, making it the highest-value sports media rights deal in the history 9 of UK TV broadcasting.

Some

international broadcast rights are renegotiated on a slightly different timescale, with the league renewing its US 9 broadcast deal with NBC until 2028.

Remember that Premier

League matches are often moved due to all sorts of factors such 9 as broadcasting schedules, policing and safety considerations, and clubs' other commitments to competitions like the FA Cup, EFL (Carabao) Cup 9 and European tournaments.

Premier League 2024/24 on Amazon Prime

Amazon has 20

matches per season under the 9 current rights agreement, with its first block of matches airing between December 5 and 7.

It also frequently gets a cluster 9 of fixtures around

Boxing Day or New Year's Eve, and this year is no exception as it will be airing 9 all matches in the three-day window between December 26 and 28.

Key games including a clash

between struggling Sheffield United and Luton (December 26, 3pm kick-off) and a big London derby between Arsenal and West Ham from the Emirates Stadium (December 28, 8.15pm).

Amazon Prime (including the Premier League football) is . But if you've not subscribed before, you can access its services on a 30-day free trial period – which means newcomers could watch all 10 matches next week for free.

When Amazon doesn't have

live games, it has lots of sports content you can get stuck into, plus sports documentaries about personalities including and . You can also enjoy original TV shows like *Good Omens* and *Gen V* with Amazon Prime membership.

And Prime members can watch

events like the Australian Open or the Le Mans 24 Hours sportscar race via the Amazon Prime Video discovery+ Standard (formerly known as discovery+ entertainment and sport) add-on, too.

This is priced at an additional £6.99 per month on top of the Prime subscription fees.

Note that discovery+ Standard does not include TNT Sports programming.

Premier League 2024/25 on Sky Sports and NOW

Sky

usually gets most of the live Premier League games per season, airing over 140 of them last time out. Most games air on Sky Sports Premier League, and the network is also home to the famous Soccer Saturday round-up show, usually hosted by Simon Thomas.

Notable games for Sky in the Christmas and New Year period include Liverpool's match Arsenal, on December 23 (5.30pm kick-off), plus the New Year's Day fixture between... you guessed it, Liverpool and Newcastle United at Anfield (January 1, 8pm kick-off).

Moving further into January 2025, Sky viewers can enjoy a match between Manchester United and Tottenham Hotspur (January 14, 4.30pm kick-off), and heading into February, it will broadcast the reverse of that Arsenal/Liverpool fixture at the Emirates (February 4, 4.30pm kick-off).

There are a variety of Sky Sports packages

available to new customers on Sky Q (setup fees apply, offer prices may change and pricing on Sky Glass and Sky Stream differs):

- Sky TV, Sky Sports Complete Pack and TNT Sports - on Sky Q (usually £91/month, plus £20 setup fees)

- Sky TV and Sky Sports - on Sky Q (plus £20 setup fees)

Neither of the above packages includes Netflix. If you prefer, you can build your own package, starting with the .

This is currently priced at

£26/month for 18 months, with the option of a one-month free trial for new customers, and you can add on channels that you'd like.

New customers

are usually offered an introductory price, so monthly costs may increase after the 18-month minimum contract term. If you don't already have Sky, it's also a requirement that you take the base TV package.

Sky notes in its terms that package prices may go up during your subscription period, so be prepared just in case.

Sky's sports channels

cover all sorts — from selected Women's Super League football matches to cricket, motor

racing (including Formula 1 9 , F1 Academy and IndyCar) to boxing, NBA to golf, rugby league, women's rugby and netball. It also has 9 a rolling news channel, Sky Sports News.

Further football coverage — including EFL games, Scottish football fixtures and the German Bundesliga 9 — is usually found on Sky Sports Football.

If you'd prefer to

watch Sky Sports via NOW, you can pay £11.98 9 for a daily membership or £34.99 for a monthly membership.

Keep an eye out for time-limited offers and promotions from NOW 9 as well. Until October 30, customers can claim a discounted price of £21/month for 6 months on the NOW Sky 9 Sports monthly membership plan.

Finally, Virgin Media customers

can also take advantage of TV and broadband package options that include Sky 9 Sports.

More info on those is available .

Jill Biden, a Chave Crucial na Decisão de Joe Biden

Nos últimos dias, as esperanças de reeleição de Joe Biden pareciam se desmoronar. Durante essa semana, Jill Biden esteve ao lado dele. Em alguns momentos, ela apareceu mais como uma primeira-dama resoluta do que como esposa de Biden, atuando como apresentadora, guia e principal assessora política dele.

A esposa de Biden há 45 anos - eles se conheceram galera bet cashback uma data às cegas, arranjada pelo irmão de Biden, galera bet cashback 1975 - pode agora deter a chave para determinar se Biden cederá à pressão crescente dos doadores do Partido Democrata e abandonará uma candidatura à reeleição abalada ou arriscará mais um debate com Donald Trump galera bet cashback setembro, com estacas ainda mais altas.

Por enquanto, as apostas estão galera bet cashback Biden lutando galera bet cashback diante - e grande parte disso se deve a Jill, que emergiu publicamente como o poder ao lado e não atrás do trono. Foi Jill quem conduziu seu marido do palco na noite de quinta-feira e foi ouvida dizendo-lhe, como uma professora poderia dizer, "Joe, você fez um ótimo trabalho! Você respondeu a todas as perguntas, sabia todos os fatos!".

Foi também Jill - professora de inglês - quem apresentou seu marido galera bet cashback dois comícios no dia seguinte e tentou recastar o impasse do debate como um confronto entre seu marido, que "disse a verdade", e o ex-presidente Trump, que disse "mentira depois de mentira depois de mentira".

Um Apóio Inquebrável

No evento de inauguração do Centro de Visitantes do Monumento Nacional de Stonewall, que marca a rebelião nas ruas de 1969 que serviu como catalisador para uma geração de ativismo de direitos gays, ela abordou a resposta ao debate de forma direta.

"Como disse o Joe antes, ele não é um homem jovem. E após o debate de ontem à noite, ele

disse: "Você sabe, Jill, eu não sei o que aconteceu. Não me senti bem". E eu disse: "Olhe, Joe, nós não vamos deixar que 90 minutos definam os quatro anos galera bet cashback que você foi presidente."

"O que o meu marido sabe fazer é dizer a verdade", ela continuou. "Quando o Joe é atingido, o Joe se levanta, e é isso que estamos fazendo hoje."

Jill esteve presente galera bet cashback todos os dias do julgamento recente de seu enteado Hunter galera bet cashback Delaware e foi considerado um show de força galera bet cashback um estado pequeno onde os Biden têm sido a família política dominante por meio século; para outros, foi um show de unidade galera bet cashback uma família abalada pela adição e a tragédia.

Os laços familiares Biden - foi relatado na semana passada que a decisão da ex-primeira-dama Michelle Obama de não fazer campanha para o vice-presidente de seu marido se deve à expulsão da ex-mulher de Hunter, Kathleen Buhle, uma amiga próxima - apontam para uma estrutura quase nuclear de anéis concêntricos galera bet cashback torno de um poder central.

Um perfil brilhante de 2024 da *Vogue* observou que o papel que ela desempenha não é o de primeira-dama ou professora, mas de um jogador chave em
