West Ham have won eight of their

last 11 games in all competitions

West 5 Ham sealed a place in the last 16 of the Europa

Conference League after defeating Silkeborg to maintain their 100% 5 winning record in

Europe this season.

Manuel Lanzini's penalty, after Michail Antonio was brought down by

keeper Nicolai Larsen, ensured the 5 Hammers qualified with one game to spare.

Last

season's Europa League semi-finalists dominated with Algeria winger Said Benrahma and

Spain midfielder 5 Pablo Fornals both going close to extending the lead against the

Danish visitors.

West Ham keeper Alphonse Areola was forced into 5 a fine save to keep

out Soren Tengstedt in the second half.

With one round of games to go, David Moyes'

5 side cannot be caught at the top of Group B.

They have 15 points from five games, nine

more than second-placed 5 Silkeborg.

West Ham's final group game is away to FCSB, who are

bottom of the group on two points, in Romania 5 on 3 November (20:00 GMT). At the same

time, Silkeborg entertain third-placed Anderlecht, who have five points.

West Ham's season gathering

momentum

Having started the season with three successive Premier League defeats, 5 West

Ham's campaign is gathering momentum.

This was their second success at London Stadium

this week after Monday's Premier League success 5 against Bournemouth, while they have

five wins out of five in the group. In addition, the Hammers have won three 5 of their

past five Premier League games before Moyes' return to his former club Manchester

United on Sunday (16:15 GMT).

If 5 the manager could have any complaints about this

latest win, it was that they should have won by a more 5 handsome margin.

The Hammers

registered 15 attempts, five on target.

Yet they had to rely on another penalty to

secure maximum points, 5 Lanzini beating the keeper for pace and power from the spot. It was West Ham's 10th goal of the group 5 stage - three of them have come from the spot.

The last-16 draw for the Europa Conference League is on 24 5 February 2024, with the first leg on 9 March followed by the second leg a week later

It was job done 5 for

the hosts on a night fans got a first look at Nayef Aguerd in competitive action in a Hammers 5 shirt.

The Morocco defender suffered a serious ankle injury in pre-season soon after signing from Rennes for £30m in the summer.

Aguerd 5 received a warm reception when

he was replaced after 76 minutes by Thilo Kehrer.

"He's a good athlete, but he's had 5 no

match practice," said Moyes. "The game worked out very well for him. I didn't tell him he was starting 5 until today.

"It was a really good opening game for him."

Moyes will

now be in a position to rest key players 5 for the trip to Romania next week before the London derby at home to Crystal Palace three days later on 5 6 November (14:00 GMT).

O ministro da Justiça e Segurança Pública, Ricardo Lewandowski, afirmou que a pasta pretende fazer uma triagem rigorosa das licenças para CACs (Colecionadores de armas de fogo, Tiro Desportivo e Caça), a partir de janeiro de 2025.

Durante evento na sede da pasta, nesta quarta-feira (23), o ministro criticou a proliferação de armas no país ao citar o caso de Novo Hamburgo (RS), onde um atirador matou três pessoas e feriu outras nove na noite dessa terça-feira (22).

"Evidentemente, todos nós achamos lamentável que o que aconteceu em novibet origin Novo Hamburgo. A nosso ver, isso é proliferação indiscriminada de armas de fogo que existe na sociedade brasileira. Nós somos contra essa proliferação de armas, e entendemos que essas

armas têm que ser reduzidas, controladas, muito bem fiscalizadas", declarou o ministro. Segundo ele, esta é uma área sobre a qual o "ministério está se debruçando", porque o governo entende que o acesso a armas no país precisa ser reduzido. "Até o dia 31 de dezembro isso é uma responsabilidade do Exército Brasileiro, por força de decreto presidencial. A partir dessa data, isso virá para o ministério e ficará sob a fiscalização da Polícia Federal (PF), que é extremamente rigorosa", detalhou. De acordo com ele, a PF fará uma "triagem rigorosa" para saber se a pessoa que se diz filiada como CAC realmente tem condições técnicas para portar uma arma. "Não que o Exército Brasileiro não tenha tomado seus cuidados. Certamente toma, mas é que o número de CACs é tão grande aqui no Brasil, que talvez tenha alguma dificuldade técnica para fazer um controle mais rigoroso", prosseguiu. O ministro, porém, garantiu que "a partir do momento que [a responsabilidade de fiscalizar] vier para o nosso ministério, realmente, nós seremos extremamente rigorosos na concessão de licenças de novos ou de membros dos cargos já existentes".
